Gulf Cove Point Property Owners Association

PET REGISTRATION & VERIFICATION FORM

As per the Associations Documents Tenants, Guests and Visitors are prohibited from owning pets. In the past this rule had gone unenforced, therefore on June 22nd, 2017, with the advice of the Associations Attorney, a "clean slate" letter was sent out to all residents informing them that going forward all new pet violations will be enforceable. This application allows for any existing tenant with a fully executed lease prior to June 22nd, 2017 the opportunity to register their pet, which was owned prior to June 22nd, 2017, as long as the pet meets the specifications of the Associations Declaration.

Like Tenants, Owners that possessed more than one dog or cat, which is a violation of the Associations documents, prior to June 22^{nd} , 2017 must also register their pets. The Associations documents allow each lot owner to keep one dog or cat that shall not exceed Twenty (20) pounds in weight at maturity. Proof of ownership of additional pet prior to June 22^{nd} , 2017 must be provided by a veterinarian and included with this form upon submission.
